2. The statutory and other bases for the relief requested herein are sections 328(a), 331 and 1103 of chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), Rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), Rules 2014-1 and 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Bankruptcy Rules”), General Order M-447 and the *Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases*, adopted by the Court on January 29, 2013 (the “Amended Guidelines”).

## **BACKGROUND**

3. On September 15, 2019 (the “Petition Date”), each of the Debtors filed a voluntary petition with this Court for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”).

4. On September 26, 2019, the United States Trustee for the Southern District of New York (the “U.S. Trustee”) appointed a Committee pursuant to section 1102 of the Bankruptcy Code [Docket No. 131]. Shortly after its appointment, the Committee selected Jefferies as its investment banker.

5. On November 5, 2019, the Committee filed an application to employ and retain Jefferies as its investment banker under sections 328(a) and 1103(a) of the Bankruptcy Code, *nunc pro tunc* to October 4, 2019, pursuant to the terms and subject to the conditions of the engagement

letter (the “Engagement Letter”) between Jefferies and the Committee dated as of October 4, 2019 [Docket No. 425] (the “Retention Application”).<sup>2</sup> A copy of the Engagement Letter is annexed to the Retention Application as Exhibit B.

6. On November 21, 2019, the Court entered the order granting the Retention Application [Docket No. 526] (the “Retention Order”). Subject to application to the Court, the Retention Order, among other things, authorized the Debtors to pay, reimburse and indemnify Jefferies in accordance with the terms and conditions of the Engagement Letter as modified by the Retention Order.

7. Also on November 21, 2019, the Court entered the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals* [Docket No. 529] (the “Interim Compensation Order”), which generally sets forth the procedures for interim compensation and expense reimbursement for all retained professionals in these cases.

Klauder (the “Fee Examiner”) as the fee examiner in these chapter 11 cases and modified the Interim Compensation Order as set forth therein.

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein have the meanings given to such terms in the Retention Application.

### **TERMS OF JEFFERIES' RETENTION**

9. The Retention Order approved the payment of certain fees to Jefferies, as set forth in detail in the Retention Application, the Engagement Letter and the Retention Order. Specifically, Jefferies' fees are as follows:<sup>3</sup>

- (a) **Monthly Fee.** A monthly fee (the "Monthly Fee") equal to \$225,000 per month until the expiration or termination of the Engagement Letter. Fifty percent of the Monthly Fees in excess of \$2,700,000 (12 Monthly Fees) actually paid to Jefferies are to be credited once (without duplication) against the Transaction Fee (defined below) due to Jefferies.
- (b) **Transaction Fee.** Upon the consummation of any chapter 11 plan or other Transaction, a fee (the "Transaction Fee") equal to \$7,500,000. For the avoidance of doubt, only one Transaction Fee is payable to Jefferies under the terms of the Engagement Letter.

10. In addition to any fees that may be paid to Jefferies under the Engagement Letter, the Engagement Letter provides that the Debtors shall reimburse Jefferies for all reasonable and documented out-of-pocket expenses (including reasonable and documented fees and expenses of its counsel) incurred by Jefferies in connection with its engagement by the Committee.

### **COMPENSATION REQUESTED**

11. By this Application, Jefferies requests interim approval and allowance of (a) compensation for Jefferies' professional services to the Committee during the Compensation Period in the amount of \$900,000.00 and (b) reimbursement of 100% of actual and necessary expenses incurred by Jefferies during the Compensation Period in connection with such services in the amount of \$35,964.54.

12. During the Compensation Period, Jefferies filed the monthly fee statements (the "Monthly Fee Statements") shown in the table below:

---

<sup>3</sup> The below is a summary of the fees payable to Jefferies. If there is any inconsistency between the below and the Engagement Letter, as modified by the Retention Order, the Engagement Letter, as modified by the Retention Order shall control.

- b. **Creditor Communications.** Jefferies continued to participate in a number of telephonic meetings with the Committee during the Compensation Period. Jefferies continued participation in these meetings was essential to keeping the Committee updated on, among other things, various case developments and the results of various due diligence projects. These telephonic meetings also provided Jefferies with an opportunity to advise the Committee on the viability of various restructuring and business plan alternatives.
- c. **Debtor Communications.** Jefferies attended an in-person meeting with the Debtors and their professionals in February to discuss various global issues concerning the chapter 11 cases. Since the February meeting, Jefferies has continued to communicate with the Debtors and their professionals on issues related to the chapter 11 cases.
- d. **Business Plan.** Jefferies has continued to review and analyze iterative drafts of the Debtors' business plan. In coordination with the Committee's other

professionals, Jefferies (i) conducted due diligence and financial analyses of the underlying financial and operational assumptions of the business plans and related financial projections; and (ii) reviewed and analyzed the financial projections of various non-debtor international affiliates.

### **BASIS FOR RELIEF**

19. Section 328(a) of the Bankruptcy Code permits the debtor, with court approval, to employ a professional person "on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, or on a contingent fee basis." 11 U.S.C. § 328(a). Accordingly, section 328(a) of the Bankruptcy Code permits the compensation of professionals, including investment bankers, on flexible terms that reflect the nature of their services and prevailing market conditions.

20. Courts consistently find that the purpose of section 328 of the Bankruptcy Code is to permit the pre-approval of compensation arrangements as a method of insuring that the most competent professionals would be available to provide services in bankruptcy cases. *In re National*

*Gypsum Co.*, 123 F.3d 861, 862-63 (5th Cir. 1997) (“If the most competent professionals are to be available for complicated capital restructurings and the development of corporate reorganization, they must know what they will receive for their expertise and commitment. Courts must protect those agreements and expectations, once found to be acceptable.”). Once the terms of a professional’s retention have been approved under section 328(a) of the Bankruptcy Code, the agreed-upon compensation cannot be altered unless the agreed terms “prove to have been improvident in light of the developments not capable of being anticipated at the time of fixing of such terms and conditions.” 11 U.S.C. § 328(a); *In re Smart World Techs.*, 552 F.3d. 228, 232 (2d. Cir. 2009) (“Where the court pre-approves the terms and conditions of the retention under section 328(a), its power to amend those terms is severely constrained.”); *see also In re Graces Restaurant Group, Inc.*, No. 18-19054 (JNP), 2019 WL 182547, at \*4 (Bankr. D.N.J. Jan. 11, 2019) (“Section 328 permits a debtor to seek court approval to determine the reasonableness of a fee arrangement before services are rendered.”).

21. The Retention Order approved Jefferies’ compensation and expense reimbursement pursuant to section 328 of the Bankruptcy Code, subject to the rights of the United States Trustee to review the Application pursuant to section 330 of the Bankruptcy Code. Jefferies submits that nothing has arisen in these cases that would cause the agreed-upon compensation requested herein to be altered and that the Application should be approved.

**WHEREFORE**, Jefferies requests interim approval and allowance of (a) compensation for Jefferies’ professional services to the Committee during the Compensation Period in the amount of \$900,000.00, inclusive of any holdbacks (20% of the amounts sought in the Monthly Fee Statements) not yet paid to Jefferies; (b) reimbursement of 100% of actual and

necessary expenses incurred by Jefferies during the Compensation Period in connection with such services in the amount of \$35,964.54; and (c) such other relief as may be just and proper.
